SUMMARY

MCA student at SGSITS (CGPA 9.2) with strong MERN stack expertise and growing experience in Machine Learning. Solved 100+ DSA problems on LeetCode and GFG, demonstrating solid problem-solving and analytical skills. Recognized for reliability, leadership, and effective collaboration in technical environments.

EDUCATION

Shri Govindram Seksaria Institute of Technology & Science, Indore

Aug 2024 – Present

Master of Computer Applications

CGPA: 9.20

Govt. Holkar Science College, Indore

Aug 2021 – May 2024

Bachelor of Science (Computer Science)

CGPA: 8.67

TECHNICAL SKILLS

Languages	C/C++, JavaScript, HTML, CSS, Python (Basic)
Frameworks/Libraries	React.js, Node.js, Express.js, Tailwind CSS
Databases	MongoDB, MySQL
Coursework	DSA, OOPs, DBMS, Computer Networks
Developer Tools	GitHub

PROJECTS

Skill Edge – AI Powered Learning Platform

MERN, Redux Toolkit, Razorpay, Google Auth

[Live Demo](#)

- AI-powered smart search (Gemini) with personalized results.
- Secure Google Authentication with protected routes.
- Integrated Razorpay payment for seamless course purchases.
- Centralized state management using Redux Toolkit.
- Separate Student & Instructor dashboards.
- Fully responsive and modern UI.

My Book Recommender System

Flask, Python, Pandas, Scikit-learn, HTML/CSS

[Live Demo](#)

- Built a personalized recommendation system using collaborative filtering and cosine similarity.
- Developed an interactive Flask-based web interface and deployed it on Render.
- Processed data using Pandas & NumPy and implemented ML model using Scikit-learn.
- Continuously enhancing with content-based filtering, authentication, and UI improvements.

ACHIEVEMENTS

- Solved 100+ DSA problems on LeetCode and GeeksforGeeks.
- Among the Top 5 Toppers in MCA Batch.
- Serving as Class Representative of current MCA batch.
- Active Member of Tech Skull, SGSITS – participated in coding events and workshops.
